

Baseball Buddies help our children with special needs play the game of baseball. Buddies 10 years old and up are assigned to help a specific elementary, junior high or high school age player. No special training is required.

A Buddy's job is to simply be a friend: engage the child in a conversation, if possible; help him/her hit, throw, catch the ball, if needed; keep the child's attention on the game and make sure no one gets hit by the ball. This is a truly rewarding experience for both the players and the buddies.

If you would like to be a baseball buddy for an hour on game day, plan to arrive 30 minutes early get some pre-game explanation of where you are needed. We look forward to seeing you there!

If you need more information, please contact: Bryan Sills 713-480-7456
